

in need of the same, which method comprises systematically administering to the said subject an effective amount of nicotinic acid or nicotinamide and an effective amount of riboflavin, and excludes administering any other vitamin agent and any other antiinflammatory agent besides said nicotinic acid or nicotinamide and said riboflavin.

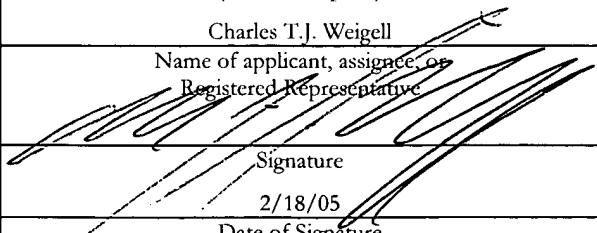

REMARKS

In accordance with the Notice and 37 CFR 1.121, applicants submit a complete listing of all claims with correct status identifiers. Entry of these amendments is respectfully requested.

Respectfully submitted,

By:
